## **Training Module One, June 15: Overview of Disability Bias For Emergency Management Planning Professionals**

- Why people with disabilities are left out of disaster planning
- People with access and functional needs (AFN)
- Discussion of disability bias and sensitivity

## **Training Module Two, June 22: Legal Obligations Of Emergency Management To People With Disabilities During Planning for Preparation, Mitigation, Response and Recovery Surrounding Disasters**

- Overview of disability rights laws
- Definition of disability under the ADA
- Obligations to provide accessible programs and services in disasters and emergencies with examples, explanations, discussion, and strategies

**Training delivered by the Partnership for Inclusive Disaster Strategies, the nation's disability led inclusive emergency management subject matter experts.**
