Access

# Language Access

- Spanish interpretation
- American Sign Language (ASL) interpretation
- CART captioning in English and Spanish

# Language Access

To listen to the interpreting:

- Click the globe icon, “Interpretation.”
  - Choose your language channel.
  - If you are using a phone or tablet, click “done.”
- If you can’t hear the interpreter on your channel, please ask for help in the chat or raise your hand.

# Language Access

For technical assistance or to alert us to an issue, type in chat.

If you cannot access the chat feature, please let us know of any issues via email at [priya@disasterstrategies.org](mailto:priya@disasterstrategies.org).

# Language Access

To access the English CART captions:

- Click the button at the bottom of the screen with the “CC” icon to start captions.

To access the Spanish CART captions:

- Click the link in chat.

# Language Access

The ASL interpreters are already spotlighted.

To adjust the size of the slides and Zoom boxes in Zoom:

- Drag the divider that separates the speakers/interpreters from the slides.

# Welcome!

# Who are we...

**Upstream Access** is a cross-disability community that dismantles loneliness and social isolation through connection, while supporting disabled people with the skills, resources, and tools needed for individual and collective resilience before, during, and after emergencies.

# Who are we...

**The Partnership of Inclusive Disaster Strategies'** focuses on the rights, needs, and inclusion of people with disabilities before, during, and after disasters and emergencies.
